SOUTHWESTERN BELL FILES AMENDMENT TO DECEMBER 27TH *EX PARTE* IN SECTION 271 KANSAS AND OKLAHOMA PROCEEDING:

Comment Schedule Set In December 27th Public Notice Remains the Same

CC Docket No. 00-217

Released: December 28, 2000

Yesterday, the Commission received an *ex parte* filing from Southwestern Bell (SWBT) in the above-referenced docket in which SWBT detailed various reductions it is voluntarily making to its recurring and non-recurring charges in Oklahoma and its non-recurring charges in Kansas. Shortly thereafter, the Commission released a public notice requesting comment on SWBT's *ex parte*.¹

Today, SWBT filed an amended *ex parte* submission that is identical to its December 27th *ex parte* except in one respect. Specifically, SWBT adds a new penultimate paragraph that describes its voluntary agreement not to implement the provisions of the line-threshold limitation, and related reporting provisions, for Oklahoma exchanges under the Oklahoma alternative regulation transition plan.²

With this Public Notice, the Commission is alerting prospective commenters of SWBT's amendment to yesterday's *ex parte* filing. Parties planning to file comments should address today's amended *ex parte* filing in their comments, rather than the version filed yesterday. The comment period, as set forth in yesterday's Public Notice, will remain the same. Comments must be filed by January 8, 2001 and reply comments must be filed by January 12, 2001. All such filings shall refer to the Commission docket number for this proceeding, **CC Docket No. 00-217**.
